Online Statement

At TwoTensor, we are dedicated to revolutionizing the private market through our advanced AI-driven insights into Venture Deal Signals. Our unique approach leverages a combination of anonymized web traffic analysis, social media trend monitoring, and aggregate event data to forecast investment opportunities with unparalleled accuracy. Our mission is to provide our clients with the earliest and most reliable deal signals, enabling them to make informed investment decisions ahead of the market curve.

Important Disclosures

Data Privacy and Ethics: TwoTensor strictly adheres to the highest standards of data privacy and ethical conduct. Our analyses are based on non-personally identifiable information and aggregate data. We respect user privacy and comply with all applicable laws and regulations in our operations.

Accuracy of Information: While we strive for accuracy, TwoTensor does not guarantee the completeness or accuracy of the data and information provided through our services. Investment decisions should be based on a comprehensive analysis of all available information and market factors.

No Investment Advice: The insights and signals provided by TwoTensor are for informational purposes only and should not be considered as investment advice. We do not endorse any specific investment strategies or financial products.

Third-Party Links: Our website and communications may contain links to third-party websites. TwoTensor is not responsible for the content or accuracy of external sites, nor do we endorse any products or services offered by third parties.

Intellectual Property: The methodologies, technologies, and analyses used by TwoTensor are proprietary and protected by intellectual property laws. Unauthorized use or distribution of our content and tools is strictly prohibited.

Changes to Disclosures: TwoTensor reserves the right to update or modify these disclosures at any time without prior notice. It is the responsibility of the users to review these disclosures regularly to stay informed of any changes.

By engaging with TwoTensor, clients and users acknowledge and agree to these terms. Our commitment to advancing investment strategies through ethical and innovative data analysis remains at the forefront of our mission.
